Investigation:

7-7-16 1330 hours, I was assigned this case in the possible threats made by Kyle L. Canty [REDACTED]-85. I was given an email from Sgt Fiorini, OPA. Canty had come into the office today and complained about SPD Officers and that he was going to buy a gun to defend himself.

7-7-16 1335 hours, I called Supervisory Deputy Marshal Ray Fleck, TP#370-8604. He stated Brittany Cirineo, US Courthouse, Civil Rights Division, Admin received a call today about 1230 hours. He stated his name was Kyle Canty. He was upset and stated he would shoot SPD officers if he doesn't get what he wants. He then called back and left a voice mail for Michael Diaz, TP#553-4358. Fleck forwarded me the voicemail and the email that Cirineo sent to her boss describing the call she had with Canty. I listened to the call. There were no threats.

7-7-16 1400 hours, I conducted Law Enforcement checks for Canty. He has no DOL photo, No booking photo at KCJ, LINX-the latest report was 1-9-15, 15-9025, Disturbance. There is no vehicle or cell phone associated with Canty. NCIC revealed a hazard for threatening officers and 2 contacts with SPD officers on 7-2-16 and 7-5-16.

7-7-16 1600 hours, I created an Officer Safety Bulletin and Lt Barden approved it and it was sent to SPD SWORN.

7-7-16 1800 hours, There was a protest in Seattle about the police shootings. I was working the protest. Canty was at the protest wearing a Black baseball cap, dark jacket, red t-shirt, gray sweat bottoms and holding a brown box. He was videotaping officers. During the protest he told SPD officers that in the box were 30 round extended magazines and he was going to buy a Glock 19.

It knocked Ofc Coolidge off balance and to the ground, he then held his head. After several minutes of struggling and officers trying to deescalate Canty he was secure in the gurney. 7-2-16. Ofc Culbertson stated that he was leaving 3 Ave and Dilling way and saw Suspect/Kyle L. Canty, B/M/[REDACTED]-85. Ofc Culbertson has contacted S/Canty previously and was familiar with S/Canty. Ofc Culbertson stopped his vehicle and S/Canty was 30 to 40 feet away. Ofc Culbertson stayed in his vehicle, put down his window and said "Hi" to S/Canty. S/Canty started yelling about perceived harassment by police. S/Canty told Ofc Culbertson that he "was not afraid to throw bullets at him". Ofc Culbertson asked him "what do you mean?" and S/Canty responded "you know what I mean". Ofc Culbertson believed based on his training, knowledge and experience that he meant that "Throwing bullets" meant shooting. S/Canty then told the officer "you going to sit in your car and talk shit" and told him to get out of his car to see what would happen. Ofc Culbertson believed S/Canty was attempting to antagonize and bait Ofc Culbertson into getting out of the car. Ofc Culbertson believed that if he would have gotten out of the car he may have been assaulted by S/Canty. Ofc Culbertson believes S/Canty's behavior was shocking and that he wanted to fight him or other officers. S/Canty stated again that he would assault officers if they tried to put hands on him. S/Canty continued to try and get Ofc Culbertson to get out of his vehicle and Ofc Culbertson refused. Ofc Culbertson stated that he did not turn on his ICV because he was hyper focused on S/Canty's threatening words and making sure that Canty did not reach for a gun. Ofc Culbertson then left the area for another call. Ofc Culbertson completed an SPD report on the incident and requested a Hazard was posted in the NCIC database to alert other officers of the words and actions of S/Canty and that he may assault or shoot them. Ofc Culbertson believed he had probable cause to arrest S/Canty at the time of the incident, but did not arrest him due to officer safety considerations. Ofc Culbertson stated that he "legitimately believes S/Canty could be the next Christopher Monfort" and could kill an officer.

7-13-16 1129 hours, I sent the statement I took from Ofc Culbertson so he could review it.

7-13-16 1220 hours, Levi Desrosier, ATF called and stated that if Canty tried to buy a firearm he would be denied because he has outstanding arrest warrants in New York and Arizona.

7-13-16 1320 hours, I provided Documents to the King County Prosecutors office for Felony Charges of Harassment against Canty.

7-13-16 1343 hours, I was notified by Stephen A. Herschokowitz, Senior DPA, KCPAU that the Felony Harassment case against Canty was rush filed, State V. Kyle Canty (16-1-04902-4) and they are asking for a \$50,000 warrant.
7-13-16 1435 hours, I picked up the warrant and walked it to SPD Data and it was entered into the NCIC system.

	SEATTLE POLICE DEPARTMENT NARRATIVE TEXT HARDCOPY GO# 2016-242554 ADMINISTRATIVE CLEARANCE 1316-4 THREATS-OTHER
---	--

7-13-16 1520 hours, I coordinated with CIT that I have a warrant for S/Canty and I will be booking him into KCJ. I requested assistance in coordination with the Mental Health side in this matter.

7-13-16 1600 hours, Sgt Anderson and I coordinated with Gene Gonzalez, Charge Nurse, HMC, 5th floor, Maleng building, 410 9th Ave., Seattle, WA TP#206-744-5856

7-13-16 1700 hours, Sgt Anderson and I coordinated with Gene Gonzalez, Charge Nurse, HMC, 5th and Maleng building, 410 9th Ave., Seattle, WA TP#206-744-5856. AMR 915B, Staff-Kevin and Kenzie, arrived to transport S/Canty. AMR went into the HMC unit and we did not assist.

7-13-16 1727 hours, S/Canty was brought out of the HMC unit on a gurney. He had property of a black backpack, clear plastic bag with a sealed gray envelope that was said to have his phone, brown sealed box and other personal effects. S/Canty was transported down to the AMR vehicle. I followed and carried his property. When we got down to the AMR I placed his property in the trunk of a police vehicle. At 1730 hours I logged out on West Radio that I was riding in AMR from HMC to the KCJ. 1731 hours AMR started the transport. S/Canty was calm during the transport and did not respond when I asked him for his address. 1737 hours AMR arrived at KCJ. When being booked into KCJ I explained the property S/Canty had and they said they would not accept it at the jail it would have to go to Safekeeping. S/Canty's transport was under SPD #16-251200. I cleared it with Harassment A. I put in the notes "arrest for spd case 16-242554, transport".

When S/Canty was booked I left the jail in a police vehicle and when we arrived at SPD HQ's I took S/Canty's property into SPD HQ's to prepare it for the property room. I took photographs of S/Canty's black backpack, clear HMC bag which had the sealed gray envelope, brown box and personal items. I then separated the Brown box from the other items and placed it into a brown bag because I was going to turn it in as "evidence". I placed the clear HMC bag and contents into a brown bag as it was going to be for safekeeping as well as the black backpack. I entered the items into the electronic system for evidence at 1946 hours.

7-13-16 2025 hours, I placed all items with appropriate evidence tags and markings in locker #18. I secured the locker and made sure it could not be opened. I put safekeeping tags on the backpack and brown bag containing the HMC bag and contents. I took the owner portion of the tag with me to drop off at KCJ to put in S/Canty's property so he knows where he can get his items when released from KCJ.

CAUSE NO. 16-1-03103-6 SEA

PROSECUTING ATTORNEY CASE SUMMARY AND REQUEST FOR BAIL AND/OR
CONDITIONS OF RELEASE

The State incorporates by reference the Certification for Determination of Probable Cause prepared by Detective Timothy William Renihan of the Seattle Police Department for case number 2016-242554.

Pursuant to CrR 2.2(b)(2)(i, iv), the State requests bail be set in the amount of \$50,000, as the defendant presents a serious threat to the safety of the community. In the immediate case, the defendant relayed to a police officer who was in full uniform and seated in a fully marked patrol car that he "was not afraid to throw bullets" at him. The defendant then repeatedly attempted to lure the officer out of his vehicle by using fighting words, causing the officer to ultimately leave the area, in part to diffuse the contact, though the officer took the immediate steps of making note in a national criminal database of the threat posed to law enforcement by the defendant. The defendant has made contact with other officers on at least two other occasions within 48 hours of this incident, and on both occasions he has intimated an interest in purchasing a firearm in response to police contacts. The defendant was involuntarily detained the day after this incident, pursuant to RCW 71.05.153, for the combination of his escalating behavior and mental disorders presenting an imminent likelihood of serious harm to himself or others. The defendant continues to pose a significant risk to the safety of the community, if he were to be released while this charge is pending.
